EUROPEAN UNIVERSITY OF LEFKE

“The right choice to be a step ahead”

Dear Students,

University study might be your first time living away from your family or home. The accommodation facilities of European University of Lefke will give you an opportunity to enjoy independence in a comfortable and safe environment. Our University is home to students from 5 continents and 80 different countries. Most of EUL's students live in EUL's residence halls, which are just walking away from the place of study.

The residence halls offer a safe and good value accommodation with fellow students and are great places to make instant friends. They are comfortable, peaceful and provide to a safe environment for the students.

There are 9 student accommodation facilities that are available near the university. The private accommodation facilities provide more than 1400 rooms for EUL students. The shuttle service of university enables easy access from these facilities.
