You need to login Moodle and visit your semester courses. The MS Teams courselink will be shared on each course Moodle page. Please follow the link for registering online teaching portal of each course.

The screenshot shows a Moodle course page for 'SOIL MECHANICS'. The page header includes 'EUL English (en) Teams' and the user 'Ismail Safkan'. The course title 'SOIL MECHANICS' is displayed at the top, along with a 'Turn editing on' button. The breadcrumb trail is 'Dashboard / My courses / CE301'. A sidebar on the left lists course components: Participants, Badges, Competencies, Grades, Announcements, Outline, Lecture notes, Lecture videos, and Additional materials. The main content area is titled 'Announcements' and shows an announcement from 'Asst. Prof. İsmail Safkan' with the email 'isafkan@eu.edu.tr'. The announcement contains a link to 'MS Teams Online Class Page' with a blue arrow pointing to it, and a note that says 'Please register for the online courses'. A 'Your progress' indicator is visible in the top right of the announcement section.

Once you request for course enrolment then your instructor will let you to the online class.
